## **Pedigree chart.**

### **Instructions**

Please provide a pedigree chart showing a continuous line of descent from your ancestor(s) to you, complete with birth, marriage & death details if you have them, in lines of descent from your pioneer ancestors.

### **Primary Ancestor**

Is that adult person or couple that was/were the earliest arrival. This is your base qualification for Pioneer membership.

Details of other ancestors that arrived within the qualifying period are not mandatory, but add to the PASA's ancestor database, and could provide a link to other members with the same ancestor.

Please complete as much data as you can reasonably find; particularly for your Primary Ancestor(s).

### **Format of your 'Ancestor Chart'**

Ancestor charts produced by Ancestry, Family Tree Maker, Legacy or other software.

OR Charts produced using "PASA Pedigree Chart 2020.xlsx" available on the PASA website.

Email the Excel file, or a pdf print file of all sheets.

OR Ancestor Chart produced using the pdf printed version "PASA Pedigree Chart 2020.pdf" of the Excel chart. Print, complete and post, or scan & email.
