

SCANFEST 2019

Pioneer portraits

During History Month 2019 the Pioneers Association of South Australia Inc. (PASA) are excited to launch a project with the aim of compiling the largest digital collection of pioneer portraits in South Australia. We want the faces of the men, women and children who settled in the colony on or before 28 December 1846 and we need your assistance! Please consider sharing your pioneer photos for scanning and inclusion in our collection.

The process is simple, on presentation of your photo/s you will be asked to:

- Sign a simple release form giving permission to the PASA to use the photo/s or share them for non- commercial purposes.
- To provide as much information as you know on the subject/s in the photo/s e.g. birth and death dates, when they arrived and on what ship as well as the source of the photo/s.

Your photos will then be scanned and returned to you immediately.

You will retain ownership of your photo(s) but have the satisfaction of knowing that you helped preserve and build a unique collection of faces from our past.

So please start looking through your photos, talk to relatives, or search your old boxes!

When: May 19th, from 1pm - 4pm, and May 20th from 10am - 2.30pm

Where: The PASA office in the Basement of Stafford House, 23-25 Leigh St, Adelaide.
